- Great nursery. L had struggled settling into nursery. I think this is due to me being pregnant and the arrival of his sister. The staff spoke to him about becoming a big brother and sent him home books for us to read together.
- I understand staff are very busy but it would be nice to hear more about what the children do while in nursery.
- I am very satisfied with the assistance of the staff towards the development of my son's behavioural and speech development.
- Staff are attentive and help with my queries when needed.
- The best nursery in town, I would say. I always refer Chapel Street to my friends with small children. Fully supportive staff, really helping with my children's routine, both my children cried and the teachers quickly calmed them. Thanks again, really appreciated.
- M started nursery with 'no English' at all, now she knows a lot of English and can communicate with no problems. She's also learned numbers, colours, animals etc and plenty of songs and rhymes which she sings at home almost every day. As a parent, I am very happy with the communication between myself and school. Any requests for information, advice or help have always been dealt with. Thank you.
- The nursery has this special friendly environment and M loves to go there. Every single day she tells me who was not there, what she was doing, who she was playing with.
- The Meadow has helped my child so much, she is trying so hard to talk and learn new things. I am very grateful for all the help and support to me and my child.
