

Chapel Street Governing Body

We are looking for parents to join our friendly team of governors.

Are you interested in how the nursery school is run by its leaders?

Do you have the passion and drive to raise standards?

What does it look like to be a governor?

Our Governing Body meet 7 times per year to:

- Ensure policies and procedures are fit for purpose and are embedded.
- Challenge leaders and ask questions around the school improvement plan.
- Manage the budget.
- Oversee and evaluate pupil progress.
- Learn how Early Years pupil premium and Disability Access funding is spent.
- Monitor how staff effectively develop children with SEND.
- Ensure leaders are keeping children safe within their safeguarding practices.

All governors will receive a thorough induction and will be expected to attend training.
