

*At Chapel Street our curriculum is*

*Notice and explore the world around us, completing an experiment independently and going on a trip.*

*Understand and use a wide vocabulary to express our ideas and feelings and hold a conversation.*

*Recognise and accurately write some letters from our name, finding some words that start with the same initial sound.*

*Take time to produce a piece of art and make a model using our own ideas and a variety of different materials.*

*Understand how to be a good citizen and self regulate, keep trying, respond to boundaries, share, be kind and learn about each other.*

*Respond to a variety of books including longer stories, retelling, listening to, enjoying and engaging with them.*

*Independently put on and take off our coat, shoes and jumper, use the toilet and learn to ride a balance bike.*

*Notice and respond to rhythms, rhymes and music and make up our own music and dance.*

*Grow vegetables and use these in cooking, following a recipe to cook and bake.*
